

# G K KIDS

*We Believe....*

*Nurturing Young Minds through Innovative Education*

*“If I can’t learn the way you teach me,  
teach me the way I learn!”*

**GK Kids** – A renowned school in the vicinity of Pimple Saudagar, Pune, we aim for the holistic development of kids. With the emphasis on Holistic Development, our curriculum is well blended with, Project Based Learning, Play Way Methods and Montessori Theory. This has contributed GK Kids to be one of the best schools in Pune.

Preschool span is unquestionably the period during which the foundations are laid for the complex behavioural structures that are built in a child's lifetime. It has been discovered that the emotional responses of an adult are largely determined by his/her early childhood experiences.

With the structure of "Explore, Evolve & Enjoy" our goal is to create an educational community that promotes social growth, emotional growth, intellectual enrichment, creative success and academic success for children.

# Vision

To empower students to acquire, demonstrate, articulate & value knowledge & skills that will support them, as lifelong learners, to participate in & contribute to the global world & practice the core values of the school.

# Seven Petal Approach...

GK Kids Curriculum revolves around the emergent strategies of the early years and the purposeful acquisition and understanding of content in form of Seven Petal Approach.

The right mix of Innovation and Creativity in education will enhance and enrich a child's learning experience, and ensure to keep their interest and focus on learning further.

- **Language Domain**
- **Personality Domain**
- **Cognitive Domain**
- **Social & Emotional Domain**
- **Physical Domain**
- **Aesthetic Domain**
- **Environmental Domain**

# Our curriculum....

## Language Domain

First petal of our curriculum approach is to provide opportunities to develop academic skills through individualized and group instruction based on Readiness activities, Monthly projects and Experiential learning, which leads to intellectual enrichment. Language skills are enhanced with the enriching sessions of Vocabulary, Phonics, Picture reading.

## Personality Domain

Second petal is an umbrella term that refers to self-directed efforts that help kids learn, grow, and improve. Inter personal & intra personal skills are focused with enthusiastic Music sessions, Role plays, Cooking sessions, Elocution, Competitions which, help the child to find joy and fulfillment in the process of self-improvement.

A Value based story sessions with interaction & communication with children are the prominent attribute of personality development at GK. Kids.

## Cognitive Domain

Third petal encompasses a child's working memory, attention, as well as a child's ability to manage and respond to the experiences and information they experience on a daily basis. Memory Matching, Puzzles, Sorting, Classifying, Sequencing, Riddles, Indian Pitara & Brain Gym activities are conducted to enhance cognition of children.

## Social & Emotional Domain

Forth petal emphasize on emotional and social skills that help children develop a sense of responsibility to others in the community by arranging enthusiastic interactive sessions of value based stories & activities. Systematic opportunities are given to the children to develop social skills with careful direction and guidance through Traditional Stories, Drama & Music sessions.

## Physical Domain

Fifth petal has a wide range of interesting activities and games carefully planned to develop children's Gross and Fine motor skills in their indoor and outdoor physical environment.

A large playground, with Advanced Play Equipment benefits children to enjoy and increase the stamina and gross motor development.

Experiences in the arts to foster creativity and self-expression which are depicted through all creative activities based on fine motor skills.

## Aesthetic Domain

Sixth petal enhances Aesthetics Domain & to a set values relating to nature and the appreciation of beauty many innovative activities like crafty leafy animals, print art, Play dough, Modelling, Finger Painting, Making masks, Rainbow activity, Making head gears activities are incorporated in the curriculum.

## Environmental Domain

Seventh petal helps in learning through sensory experiences involving touching, moving, listening, seeing, and other entertaining activities. All the classrooms are colorful with Unique Wall themes and Boards for visual learning for children.

Important days like World Heart Day, Rivers day, World Habitat Day, Grandparent's day, Science day, Coconut day, Gurupournima and many more are incorporated in the curriculum with innovative activities.

**We work to promote a sense of community in which each child can feel connected and valued. We help children learn and play together by promoting kindness, cooperation, and respect for others. We look forward to fill the child's life with rays of hope and confidence. And we wish to provide opportunities to face sunshine with happy learning.**

“Education is the passport to the future,  
for tomorrow belongs to those who prepare  
for it today.”

– Malcolm X
