ABOUT MANTHAN

Manthan 2026 is organised by **G.K. Gurukul** and **Gyansthan Education Services** via **I.I.M.U.N's School of Current Affairs**.

At **G.K. Gurukul**, we believe education goes beyond the classroom. The Inter-School MUN Conference is an opportunity for students to step into the roles of diplomats, policymakers, leaders, and changemakers.

Through this conference, students will:

- **Develop Critical Thinking** by analysing complex global and national issues.
- **Build Confidence & Communication Skills** through debates, discussions, and negotiations.
- **Understand Global Affairs** by exploring contemporary issues from multiple perspectives.
- **Learn Diplomacy & Collaboration** by working with students from different schools.
- **Develop Leadership Skills** by taking responsibility, making decisions, and representing their assigned countries or institutions.
- **Become Responsible Global Citizens** by understanding the importance of dialogue, cooperation, and informed decision-making.

At **G.K. Gurukul**, we aim to create a platform where young minds don't just learn about the world - they engage with it.
